

Conference Subsidy Halifax 2007

To help make sure the CALM members with the least resources still get to produce good newsletters, CALM has created two subsidized spaces for its conference. The subsidy covers the registration fee only. You or your union are responsible for accommodation and travel and for meals that aren't part of the conference.

To qualify, your publication must

- have a circulation 500 or less and
- be from a local union or a labour council that is a CALM member (affiliated to the CLC), not an associate member.

Attach a statement from your local or labour council that answers these questions in 250 words or less: Why do you want to attend the conference? Why do you need the subsidy?

Deadline for applications is Tuesday, April 24, the same as the early registration deadline. You can include this application with your conference registration. (*please print*)
